

S MANOJ PRABHU

Frontend Developer | UI/UX Designer | Java Developer

Email: manojprabhu0707@gmail.com | Phone: +91 9677518268 | Location: Polur, Tamil Nadu, India

GitHub: github.com/manojprabhu07 | LinkedIn: linkedin.com/in/manojprabhu07

EDUCATION & ACADEMICS

Saveetha School of Engineering, SIMATS - B.E. Computer Science and Engineering (2022 - 2026)

TECHNICAL SKILLS

Languages: Java, JavaScript, Python, SQL

Frontend & UI/UX: React, TypeScript, HTML5, CSS3, Tailwind CSS, Figma, Wireframing, Prototyping

Backend & Cloud: Spring Boot, REST APIs, MySQL, Firebase, Oracle APEX, Git, Docker

Applied ML & Analytics: XGBoost, SVM, Logistic Regression, Scikit-learn, Data Analysis

EXPERIENCE & INTERNSHIPS

Infosys Springboard - Project Intern (09/2025 - 11/2025)

- Built full-stack Ride Sharing & Carpooling Platform with Java, Spring Boot, and MySQL.
- Shipped 8+ RESTful APIs for user registration, trip matching, booking, and route tracking.

Fluezen Technology - UI/UX Design Intern (01/2024 - 03/2024)

- Delivered 10+ mobile and web UI screens in Figma; reduced handoff time by 25%.

Kaashiv Infotech - UI/UX Design Intern (06/2023 - 08/2023)

- Developed Figma component library of 20+ UI elements; designed Material Design mobile screens.

FEATURED PROJECTS

1. Network Intrusion Detection System - 85% Accuracy ML model using XGBoost, SVM, and Python.
2. Autonomous AI Content Studio - Cloud video pipeline with Groq LLaMA, Gemini, and FFmpeg.
3. Polur Charm Civic & Tourism Platform - Bilingual React 19 web hub with live transit scheduling.
4. Courier Delivery App - 15+ screen mobile Figma prototype with interactive parcel dispatch.
